

INTELIX: Intelligent Data Meets Action

Intelligent Data meets Action

Intelix is your all-in-one AI-powered B2B sales assistant that does the heavy lifting—so you can close more deals in no time. It is an AI based tool that does the mammoth work of in-depth research on potential leads. After securing the approachable leads it conducts the initial cold calls, emails and then keeps a record of it for future uses. Intelix filters information from various sources like - LinkedIn, Yelp, Yellow Pages, Facebook, and more so, that no possible lead goes unnoticed. The mundane and time consuming work is done by Intelix so, that you don't rely on guesswork anymore. Data becomes action, and action drives results.

Challenges in the Current Scenario:

Time-Consuming Research

Manual lead research is tiresome. It takes too much time.

Limited Research Ground

Manual research is limited. Multiple platforms are hard to consult.

Low Cold Call Success

Cold calls often fail. Employees are stuck on bad leads.

Uncertain Pitching

Limited research means uncertain pitches. Interactions are unsubstantial.

Resource Wastage

Manual lead work wastes resources. Success rates remain low.
